

Preamble for use with the FORX ARC Monday Night Net

Good evening! This is *(call)** opening the FORX Amateur Radio Club Monday Night Net. My name is *(first name)**, and I will be your net control operator this evening.

This net meets every Monday night at 9:00PM local time on the frequency of 146.94 Mhz. It is intended for net training as well as announcing items of interest to the local ham community. This is a public service net affiliated with the Amateur Radio Emergency Services (ARES) Division of the American Radio Relay League.

This net will be a formal net for checking in and an informal portion for general comments. This is a directed net, so please address all queries and comments to the Net Control Station.

When checking in, please state your call and your name.

Are there any mobile stations? If so, please check in now...

Are there any stations on "short time"? If so, please check in now...

We begin check-ins with: A Alpha through M Mike
(then)
